Accurate Painting and Contracting

Steve Schaefer, President:

Hello Steve,

Thanks to Accurate, my house has undergone a complete transformation. My once run-down house is now a place I am delighted to wake up in every morning and walk into every evening. The beautiful results of your skillful work and exacting attention to detail are on display throughout the house.

I particularly want to express my immense satisfaction with my *new*...

- Roof – beautiful and durable
- Half bath on the first floor
- Full bath on the top floor
- French Doors
- Beautiful paint and trim throughout
- New windows and doors – gorgeous and energy-efficient
- Kitchen – It is the “dream” kitchen I always wanted, down to every exquisite, well-crafted detail.

Your unwavering courtesy, patience and professionalism made the process a pleasure for me. Sometimes I knew what I wanted, but when I asked for advice, you gave it willingly and thoughtfully, always guiding me through the decision-making process with care. I highly recommend Accurate Painting and Contracting for any home improvement project. Thanks again.

Sincerely,

Beverly L. Brow
